"Hello, my name is Joshua Kuhl, and I have been involved with Walking Tall for about seven years. Throughout the years I have been going, I have not only learned life skills such as woodworking, metal working, automotive, construction, and welding, but I have also learned a lot about life. I've enjoyed the blessing of getting to know many of the mentors as well as the young men. Just recently, I've started an internship with a ministry called Child Evangelism Fellowship, a ministry where we teach children about Christ. I can say that without Walking Tall, I would not be where I am now. Walking Tall has helped me grow into the man of God I know I was born to be. Having the examples of all the mentors has been such a needed encouragement in my life. I recently got the privilege of becoming a junior mentor at Walking Tall. When I first started attending Walking Tall, I looked up to many of the young men who were older than me. I know that there are young men who now look up to me, which is a blessing but also a responsibility. Throughout my life there have been many opportunities for me to be in a position of leadership. I know that the best leaders lead by example. So thank you, Tom and Judy, as well as all the other mentors, for leading us young men by example... not your example, but Christ's"

*There once was a boy who just wanted to be included, and at Walking Tall, he was. Before long, this young man was welcoming new boys. Joshua who was reliant on the mentors, has, in God's grace, now become a faithful young leader. Looking forward to hearing from Joshua's mom next week.*

Let us use our God given gifts;

if it is serving, then serve;

if it is teaching, then teach;

if it is to encourage, then give encouragement;

if it is giving, then give generously;

if it is to lead, do it diligently;

if it is to show mercy, do it cheerfully.

Romans 12: 7-8
