

God's Country

As we are driving through the most breath-taking glacier mountains, we stop many times to take in the scenery, and seem to meet new people along our journey. During our conversations of our families, Walking Tall seems to always come up. It is also part of our family and passion, and we cannot stop talking about it.

When do you know a program is successful? When the founders are encouraged, and confident to take time to rejuvenate! The mentors of Walking Tall are qualified, dedicated, and upholding men. They keep the campus and grounds secure, and they keep the tradition of WT at most high. The young men of WT are fortunate to have such knowledgeable Godly mentors.

We are inspired and grateful for the men and women of Walking Tall, and we are appreciative for all of you, who support and pray for this ministry.

We are in God's country, accepting God's timing, with little internet to send this letter out.

Thank you,

Tom & Judy

"Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls."

Matthew 11:28-29
