"A BIG Shout Out goes to Tai at Walking Tall for custom designing my lovely Redwood Bistro Table. The dimensions needed were difficult to find so WT, Tai, Matthew & Tom came to my rescue! I'll enjoy this lovely table for years to come!"
Shirley Stiehl

"We are impressed with the young man who built our last purchase; his knowledge was impressive! I like how Walking Tall mentors allow the young men to have an idea and build it from their vision. They are not like other teens who don't want to engage with the customers; they listen and answer questions confidently.

I like their professional manner and the quality of their work.

I can't wait to use my redwood furniture.

Someday, I believe these young men from Walking Tall will be able to lead their family in a Godly way."

Karen

We are delighted that our ministry is impacting the lives of WT young men and their families. We are also grateful for community and donor collaboration.

Bless you, and thank you for your support.

May the favor of the Lord our God rest on us; establish the work of our hands
for us— yes, establish the work of our hands.
Psalms 90:17
