AUTOMOTIVE WOODWORKING FABRICATING & WELDING SMALL ENGINE COMPUTER DESIGN CONSTRUCTION AND MORE

Walking Tall is a tremendous inspirational atmosphere. The mentors are such great role models for our youth

It is great to see the young men as they mature and come out of their shells. I bring my grandson Hunter on Mondays for the small engine classes. He replaced the carburetor on my pressure washer. A skill he has learned from his mentor Bruce here at WT. Hunter is starting to interact more easily with adults and has settled in well, mixing with other young men as they enter the program.

I also have opportunities to learn new things working in different areas of WT.

I am privileged to occasionally use my culinary and grill skills, helping Judy, Jessica, and Emily with dinner.

At the end of a WT event, I feel encouraged and empowered. The closeness of our mentors and the lessons about the Lord is inspiring. Thanks to everyone that helps make this program such a blessing to all of us.

Mentor Leon

You will be blessed in the city and blessed in the country. The fruit of your womb will be blessed, and the crops of your land and the young of your livestock—the calves of your herds and the lambs of your flocks. Your basket and your kneading trough will be blessed. You will be blessed when you come in and blessed when you go out. Deuteronomy 28:3-6

Thank you for your support and prayers!

*If you haven't ever supported Walking Tall, please consider a one time donation or regular monthly donation to support and continue offering many skills to these young men. Thank you so much!
Walking Tall: PO Box 3789 Central Point, OR 97502 or walkingtallso.org for online donations.*
