Wyatt's Big Adventure

I'm going into the seventh grade at Hanby Middle School, and I've been going to Walking Tall since January. It's been fun coming with my brother, and I enjoy learning and building new things. I've been working in the woodshop and hope to also work in small engines soon. I have made birdfeeders, a gift for my mom, and we branded things with the Walking Tall logo. I really enjoyed making a square plaque with laser engraving of my brother and my names on it for our room. I'm currently working on an RC car garage in the wood shop. I liked working at the yard sale to earn my way to the Walking Tall fishing trip. I even got a \$5.00 tip at the yard sale! On the fishing trip, I came back with the two largest fish, and those were the first fish I ever caught! Also, cleaning the fish was a new experience. I'm looking forward to the next fishing trip.

Special guest
Doug Gould
at the
Yard Sale

He gives strength to the weary
and increases the
power of the weak.

Even youths grow tired and weary,
and young men stumble and fall;
but those who hope in the Lord
will renew their strength.

They will soar on wings like eagles;
they will run and not grow weary,
they will walk and not be faint.

Isaiah 40:29-31

Thank you for your support and prayers!

*If you haven't ever supported Walking Tall, please consider a one time donation or regular monthly donation to support and continue offering many skills to these young men. Thank you so much!
Walking Tall: PO Box 3789 Central Point, OR 97502 or walkingtallo.org for online donations.*
