## FUNDRAISER GOAL BOARD

Fundraiser  
ends on  
December  
31st, 2023

Walking Tall was graciously offered an amount towards the challenge, bringing our total match challenge up to \$14,500

To date, we have received \$5,151 of this \$14,500 matching challenge.

This is a marvelous way to receive \$29,000 once we have earned matching donations of \$14,500.

We are keeping \$215,000 as our goal this year. We are currently experiencing food and project supplies tripling in cost. Therefore, your much needed donations will continue to help these young men enjoy this program.

Thank you!
