SEMA - Specialty Equipment Market Association 2023

It was my first time at SEMA, and to say I was amazed by the beautiful vehicles, car part vendors, and thousands of people would be an understatement! The prayer breakfast, sponsored by Barry Meguiar, was a highlight where I met him and Tim Tebow. Hanging out with Tom, Judy, fellow mentors, and our hosts, Rob and Claudia were wonderful. We also visited Shelby American, a museum and production site for new Shelby's. I pray to attend SEMA again someday. Like Walking Tall – It blessed me greatly! - Bruce

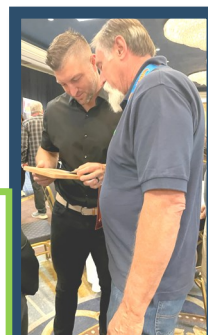

Tom and Judy have developed important relationships with big names in the car world. Some relationships were formed during their time in racing. People are motivated to donate to Walking Tall when they see them now serving young men for eternal purposes. Walking Tall had 7 mentors at SEMA this year, and we enjoyed fellowship, meals, and walking many miles together. We were warmly welcomed into the home of a Christian author, organizer, and speaker. This was another encouraging example of relationships built by the Walking Tall story. - Josh

SEMA: What a blast! Go in His name, hear Tim Tebow's testimony, and message. Meet Peter Brock, and Barry Meguiar, and receive cool items for Walking Tall! - Bill

The SEMA trip was great! We learned about useful products, engaged with vendors, team building, and being encouraged by other Christians. The relationships Tom and Judy have forged and the new ones forming are inspiring. I saw God working in many ways through the trip. Rob and Claudia were amazing hosts who made us all feel loved. -Chad

I enjoyed getting to know the mentors better, exploring the cornucopia of accessories, and seeing the show cars assembled with these accessories. Tom's vendor connections amaze me, and Judy's humor makes me smile. Bill's enthusiasm and smile are contagious. Chad's parts experience and watching him in action are fantastic. I appreciate Josh's passion for aircraft and his heart for missions. Bruce's shared stories and kind heart inspire me, and Rob and Claudia's hospitality is a blessing. - Tony

Thank you for your prayers and support.

Thank you SEMA friends who inspire us each year, and to Rob & Claudio for making their home our home. —Tom & Judy
