## The annual Walking Tall Family Christmas Party

Despite its humble appearance of crooks and curves, a Walking Tall family decorated the Christmas tree with love. The charming wooden ornaments Walking Tall made showed the tree how much it was valued. Like many of us, the tree had scars and broken parts, but that didn't make it any less beautiful. Comparably, being a broken person doesn't always equate to being a bad person, undeserving of love. The tables were arranged to perfection and adorned with decorations, inviting the guests to sit and enjoy each other's company. A group of young men played instruments while everyone sang Christmas songs together. The tantalizing aroma of a mouth-watering meal, cooked by a mentor and his young apprentice, filled the air. The community group that provided service and assistance went above and beyond to serve the guests and make the event a success. Outside the rain had stopped just in time for the fun hayride, and Christmas caroling filled the brisk air as many rode multiple times.

We are grateful to our community, monthly donors, one-time donors, and prayer warriors for supporting our ministry for young men throughout the year.

To make the Friend Raiser Challenge simple and clear, our challenge is at \$21,000. and we have \$14,936. matching towards it.

As the year is coming to an end, we kindly ask you to consider making a donation to WT. Your donation will help us finish off the year with strength and enable us to reach out to many more young men in the upcoming year of 2024. Our goal is to build long-lasting relationships between these young men and God-fearing mentors, who will guide them to become strong individuals for generations to come. Thank you for your support!

Give thanks to the LORD, for he is good, for his steadfast love endures forever
