Walking Tall Alumni

Spencer – Collaborating with Reg on projects and participating with a small group of us at Walking Tall in the Cookie Crumble Coffee Cake Competition was an enjoyable and memorable experience.

Elijah – Experiencing great trips with Walking Tall was enjoyable. They invested in our future and created a positive atmosphere.

Daniel – Godly mentors from Walking Tall have significantly impacted my life. Some of my favorite memories include attending the NHRA drag races, meeting Antron Brown, and attending the SEMA automotive trade show.

Remember your leaders, who spoke the word of God to you. Consider the outcome of their way of life and imitate their faith.
