It was an excellent opportunity to create friendships while fishing, playing games, and talking around the campfire. Hopefully, we'll be closer as we go forward.

The weather was great, and one of my sons had never caught a fish there until this year. He was happy about it. I was able to teach a young man how to clean a fish, and then he frantically cleaned about a dozen other fish. It was rewarding to pass on that skill.

Best fishing Trip ever! I also had more quality time playing board games with Mentor Rick.

It was a great opportunity to go fishing, have story time around the campfire, and play a lot of board games. I used to not have very good people around me, and these people make it very special.

It was an amazing trip; great weather, fantastic fellowship, and good fishing. I spent time with mentors and young men, getting to know them and talking about life, love, and every aspect of being a part of Walking Tall. It was a chance to relax, enjoy each other's company, building relationships, dealing with unique challenges and focusing on the Lord.

The fishing trip was fun, we played a lot of games, I went mountain biking, and caught a lot of fish. It was nice to get away, relax and get to know each other better!

We spent time with other kids our age, and had mentors help me learn how to fish. It was great to have this opportunity. The fishing trip was cool; I caught quite a few fish. We rode on a nice Willies boat. It meant a lot to hang out more with others.

Thank you for your prayers and financial support

Finally, brothers, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things.
