Teamwork

Walking Tall received a large volume of logs and wood slabs. One of our biggest strengths is the diverse range of skills and talents that each team member brings. The way they openly share and leverage these unique abilities is genuinely moving.

A prompt finish of sorting, milling, splitting, and stacking wood was due to the strength of cooperation. Trust serves as the cornerstone of our effective teamwork.

We value....

"The Armor of God," creates an environment where we can depend on each other, collaborate, and take risks, knowing that we have each other's backs.

Thank you for all your donations, support and prayers!

Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil's schemes.

Ephesians:10-11
