Currently Caleb and Mentor Bill are taking part in a three-day Christian motocross camp at CampRev, WA, where we took a day trip yesterday to visit them. What a large challenging course surrounded by God's creation of majestic trees. It was encouraging to witness professional dirt bike riders giving back to the community.

Caleb expressed that it has been an incredible experience so far. He has gained valuable insights, not just in his dirt bike riding skills, but also during Chapel sessions. Monday night's discussion about Romans 8 was particularly impactful for him, as he shared how its message deeply resonated with him; Romans 8 is one of his favorite books of the Bible. Caleb appreciates the opportunity provided by Walking Tall and his mentor Bill for bringing him to this camp. He values the support and time spent with Bill and finds great fellowship with everyone in this community.

Mentor Bill shared, "I'm excited to get to bring Caleb to CampRev this year, but I guess ultimately, it's my way of giving something back that I have idolized previously in my life. I can give it 100% to God and be with others that are doing the same thing. It's a very special camp and a wonderful place to be. It's God's country, and you can tell that the Holy Spirit is here."
