## Conquering public speaking

Our Friend Raiser Open House is an opportunity for the community to visit the facility, for the young men to improve their public speaking skills, and to showcase what they have learned.

### Quotes from Young Men at the Friend Raiser:

“It was fun to give tours of the facility to people.”

“It helped me improve my skills by allowing me to speak to people and shake their hands.”

“I'm becoming more comfortable with shaking hands and introducing myself.”

“So many people enjoying what we do here makes me feel good, and I also had the opportunity to learn about other equipment that day.”

“This was my second Friend Raiser, and I now have a better understanding of Walking Tall, allowing me to explain it to people, more effectively.”

I appreciate the support from people who come to the event and support Walking Tall, allowing us to continue to attend for free and learn more about God and different trades.

Walking Tall has the opportunity to double our donation with a generous donor matching dollar for dollar, up to \$15,000. We have received \$9,137 to date after our Friend Raiser.

We give thanks to God always for all of you, constantly mentioning you in our prayers

1 Thessalonians 1:2
