Marvel Spirit

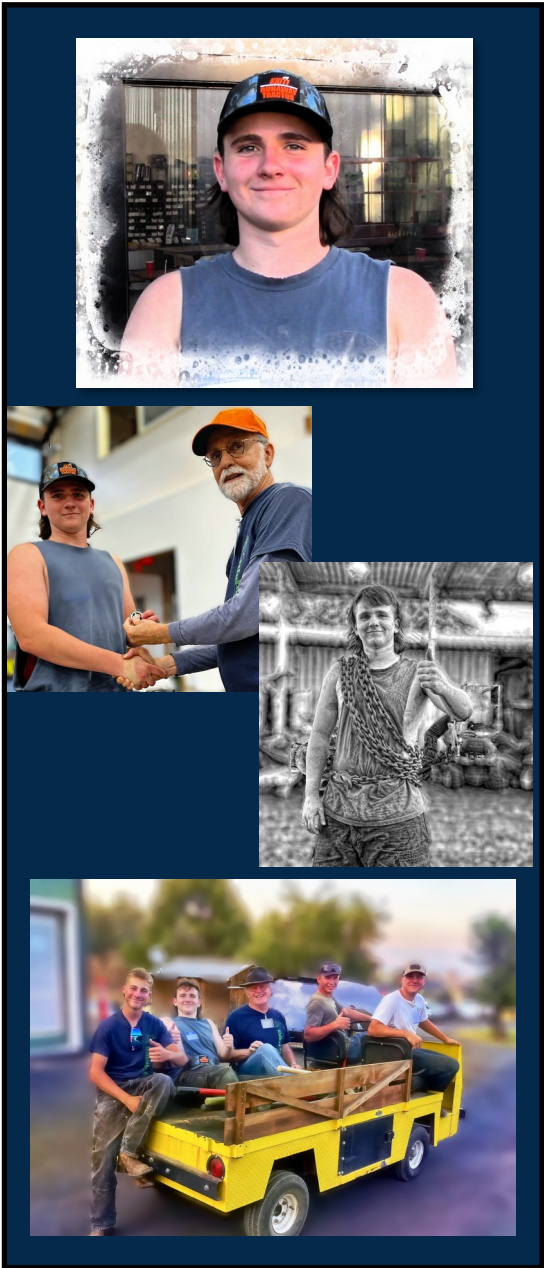

Rex's friends, an adventurous bunch, invited him to join them at Walking Tall. They informed him about the diverse skills one could acquire there. Eager to explore new opportunities, Rex decided to give it a try.

His initial impression was that it seemed like a very exciting place, and he had never encountered anything like this. Rex says he likes trying new things, meeting new people, and this is all that in one place.

As a young person, Rex attended church occasionally, but joining Walking Tall deepened his faith understanding, fueled personal growth, and sparked his curiosity.

Rex enjoys working on the lawnmowers and various tasks around the campus with his friends. *“Working with Mentor Dan makes it fun. He’s nice, and never in a bad mood; he has a good character.”* Rex also appreciates how the mentors volunteer their time to teach the young men, and share their knowledge.

Rex is a sophomore who aspires to become a diesel power mechanic. He values how Walking Tall enhances his understanding of tools and helps him identify and learn all the different parts of a motor. Upon completing high school, he hopes to attend a trade school.

May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.
Romans 15:13

Thank you for your prayers and support

*If you haven't ever supported Walking Tall, please consider a one time donation or regular monthly donation to support and continue offering many skills to these young men. Thank you so much!
