PASS IT ON...

Starting a program like Walking Tall (WT) may feel overwhelming, but we encourage starting small and trusting God to guide the way. If your willing to adjust and adapt, then He will direct your paths. A group in Klamath Falls started "Pass it On" after visits to WT, and they have seen amazing results by stepping out in faith. We have kept in close contact and seen that God is bigger than our fears.

Quotes from Pass it On ~ Located on the campus of New Horizon Christian Fellowship

Principal Tony:

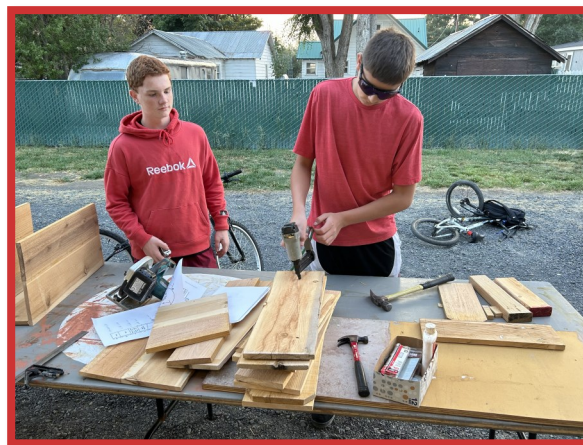

“I have been an administrator for the last six years in the Christian School, and I have seen so much as it relates to today's youth, primarily from fifth grade up through high school. What I have seen with the “Pass it On” ministry is nothing short of miraculous as an extension of the school here at New Horizon Christian Ministry. It has been such a positive visual to me as I see these young men gaining skills with their hands that they never would have had but also growing closer to their Heavenly Father.”

Mentor Lee:

“America needs real men, now perhaps more than ever. Pass it On / Walking Tall starts teens on the road to becoming the type of men America needs.”

Mentor Tony:

“I’m inspired by our group of Young Men and Mentors. The enthusiasm and excitement these guys bring weekly to show me whose program Pass it ON is—Jesus. This keeps all of us coming back with gladness and joy, even on the tough notes. Thank God.”

Mentor Michael:

"A man never stands as tall as when he reached down to help a child grow into a young man in Jesus Christ."

Mentor Corey:

"Pass it On has helped these young men learn to fellowship with their peers. And helped us mentors grow in our walk with Jesus and fellowship with the youth."

Mentor J D:

"I wasn't sure what to expect at first with our small group, but it turns out that I'm learning as much as our young men. We don't just teach them; they also teach us, and it seems that the Lord directs the lessons. It's amazing how much potential I see in these young men, and it's a blessing to help them use even a small part of it."

Mentor Alfred:

"As a new Mentor, my favorite impact of this program is seeing the change in young men's attitudes and proper/positive interactions with others."

Thank you, "Pass it On," for taking a leap of faith. May it become widespread!

**Trust in the Lord with all your heart and lean not on your own understanding;
in all your ways submit to him, and he will make your paths straight.**
