God is Always Right on Time

It's that time of year when a few mentors and young men from Walking Tall (WT) depart on an inspiring journey to Las Vegas to attend transformative automotive events. These experiences include the National Hot Rod Association (NHRA) race, opportunities to connect with industry legends, visits to automobile museums, and attending the well-known SEMA show.

This letter marks the beginning of a series of these trips.

The adventure kicked off at the NHRA race, where Top Fuel dragsters, such as Antron Brown and Steve Torrence, accelerate from 0 to 100 mph in approximately 0.8 seconds, reaching breathtaking speeds over 297 mph in just 660 feet. Imagine the thrill of going from a standstill to 100 mph in less than a second—what a rush! We are fortunate that Antron Brown dedicated time out of his busy schedule to speak with our group, reminding us that he uses his racing talents to spread the powerful message of God. Clark, the Capco team manager, finds pleasure in educating this group, sharing invaluable behind-the-scenes technical knowledge that empowers them. A divine moment was meeting the Big Time Pest Control team owner and his family, who proudly displayed a biblical verse on their top-fuel funny car. After a heartfelt conversation, we recognized the importance of nurturing this connection and agreed to keep this wonderful new relationship alive!

Thank you so much to our host family, Rob and Claudia!

Support for our trip would mean so much to us and would have a profound impact on our journey. Your assistance can make a real difference!

And so we know and rely on the love God has for us. God is love. Whoever lives in love lives in God, and God in them. 1 John 4:16
