## The annual Walking Tall Family Christmas Party

The Walking Tall (WT) family Christmas party was a wonderful evening filled with joy. We began the celebration by singing cheerful Christmas songs together. We were lucky to have friends who made delicious food and others who served it with love. It truly felt like a warm gathering with loved ones! In the background, the joyful sound of fellowship filled the air, and despite the frigid temperatures, most everyone enjoyed many fun hayrides, complete with lights and music. The scattered Hot Wheels cars thrilled the children, their eyes gleaming with excitement as they eagerly chose their favorites, looking forward to taking these little treasures home.

To cap off the evening, each young man received an excellent gift: a tool bag filled with tools, a stocking cap, and a beautiful student study Bible. This thoughtful gift was generously funded by an alumnus who once participated in the Walking Tall program. He is grateful for the support he received from WT and has impressed us all with his commitment to giving back. Our goal is to build long-lasting relationships between these young men and God-fearing mentors, who will guide them to become strong individuals for generations to come.

They are to do good, to be rich in good works, to be generous and ready to share.

1 Timothy 6:18

We're thrilled to share that our donors matched a generous \$20,000 donation! Thank you for your incredible support!

During our Christmas party, a thoughtful guest raised a question about our budget for the upcoming year. In a show of generosity, they offered an additional challenge of \$10,000 to help support our program. This remarkable contribution, paired with our ongoing and new monthly donations, will enable us to continue providing this valuable ministry at no cost to participants next year. Your support reflects a strong commitment to our mission and the community we serve.
