Prospering Growth

Griffin is a member of the automotive department who discovered Walking Tall through his friend Tristan and was inspired by the exciting projects they offered. Dan, his mentor, brings contagious energy to his teaching, making learning for Griffin enjoyable and impactful. He believes that the mentors at Walking Tall create extraordinary opportunities for personal growth. He values the mentors who dedicate their time and aim to help young men become their best selves, saying, "I feel there needs to be more of that in the world." Griffin feels that Walking Tall inspires hope and transforms moments into fantastic opportunities for laughter and learning, in contrast to others who may be rude and angry.

With some job experience in construction and other opportunities while in high school, Griffin is planning on pursuing a career as a diesel mechanic. The skills he's gaining at Walking Tall are enhancing his professional development and are valuable as he works on his own truck.

The mentors have instilled hope in him, and he appreciates those who share their faith, encouraging him to reflect on the creator's existence. Griffin enjoys spending time with his friends and new friends at Walking Tall, stating that he would probably just be at home sleeping if not at Walking Tall. Now preparing to be a junior mentor, he enthusiastically embraces this role.

Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight. Proverbs 3:5-6
