Grateful One

Sebastian is one of the youngest students at Walking Tall, and he's full of enthusiasm! Outside of Walking Tall, he loves playing hockey and has big plans to keep at it for years to come. Recently, he has been busy in the woodshop creating items for the Art in Bloom event scheduled for Mother's Day weekend. With the help of some fantastic mentors, he has made a sign and a shelf. However, he felt a great sense of accomplishment when the group collaborated to create a tabletop, and he is really proud of what they achieved together! One of Sebastian's personal improvements has been mastering the art of shaking hands. Thanks to Tom and Doug, he felt more comfortable and confident shaking hands with new people. He wants to keep working on himself and become an even better person. Sebastian also had an absolute blast at all the Pinewood Derby races! He placed 4th and 2nd at different times, cheering on his family and friends along the way. He's excited to build a new car for the next race! Some of his challenges are in school, especially when he starts to fall behind, but he's determined to keep growing. Sebastian revealed that he has learned more about the people in the Bible during his time at Walking Tall.

Sebastian is truly grateful for life, his family, and having a roof over his head. He highly recommends checking out Walking Tall and is looking forward to staying involved for many years to come.

Delight yourself also in the Lord,
And He shall give you the desires of your heart. Psalm 37:4
