## FIREFIGHTER PICKLEBALL TOURNAMENT

We had a great time at the 1st Annual Oregon Firefighter Pickleball Tournament at Club Norwest in Grants Pass! It was such a fun day filled with excitement! All the players were amazing firefighters from Oregon, and the event was a great way to support Walking Tall. Our mentors and young men got to join in on the fun on the courts, and they loved playing alongside some of the firefighters! We are proud to have two exceptional firefighters who served as mentors for Walking Tall, along with a dedicated firefighter in Medford whose son actively participates in the WT program. Big shoutout to Tom for being our awesome photographer and capturing all the fun! A huge thank you to Corbin for making this event happen, and to everyone who donated, bought raffle tickets, played, or came out to cheer them on. Also, a huge thank you to all firefighters who keep us all safe!

*Thank you for

*If you would like to partner with Walking Tall, please consider a one time donation or regular monthly donations to support and continue offering many skills to these young men. Thank you so much!

## *Tom's Health Update*

Tom has been on an extraordinary mission to track down his long-lost look-alike buddy, Sasquatch, for the past three and a half months! After what feels like a reality TV show gone wrong, he finally spotted him in Canyonville—who knew Sasquatch was so good at hide-and-seek? Thankfully, Tom's kidney doctor has officially given him permission to leave the woods, so he can finally trade in his camouflage for some real clothes!

Let the adventures begin!
