Friend Raiser Quotes

Friend Raiser was an amazing asset for Walking Tall. The people who came were very supportive and very interested in what we do here. They were amazed by what they saw. It was a great day, and we're thankful for the great people who showed up for us.

It was really cool to see everyone interacting with one another. I saw people having long conversations, including those who were coming up and visiting for the first time, talking to the young men and visiting with the mentors. The young men seemed engaged with everyone; it was a joyful event.

Friend Raiser 2025 was mutually encouraging for the community, and for the people that came up to see

us. We received a lot of compliments on the facility. We also sold a lot of items to very generous donors. We feel the Lord blessed it, and we invite anybody to come back next year and make it even bigger and better. Praise the Lord.

It was fun communicating with the people and building new friendships.

Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.
1 Peter 4:10

Our Friend Raiser goal, which runs until the last day of the year, symbolizes hope rather than a matching challenge. It represents a target reflecting a percentage of our budget set at \$150,000.00.

Starting the day of the Friend Raiser, we were fortunate to receive donations totaling \$14,800.00, marking a significant step towards reaching our \$150,000.00 goal.
