Inspiring the next Generation

“The Cerakote Training Class for Walking Tall was first-of-its-kind for NIC Industries, and we were exceedingly impressed with the team that showed up. We’re grateful for the opportunity to invest in God-glorifying, hard-working, respectful, and motivated young men; they are an integral part of a successful future, and we’re thus equally grateful for the mentors that guide them.”

David with NIC Industries, Inc.

Cerakote trainer Moose confidently stated, “I would train those guys every day if I could!”

Richard, a mentor for Walking Tall and a participant in the Cerakote class, was one of the first entrepreneurs in the valley to establish a successful powder coating business. We are grateful to have him as a mentor and a long-time friend, sharing his valuable insights and support with our ministry.

Therefore encourage one another and build one another up, just as you are doing.
