## Seeds of Wisdom: A Night of Honor

This past Friday night, we gathered for a special time of celebration and appreciation for our mentors and their wives. Over a delicious dinner and rich fellowship, we paused to recognize the men who serve as the heartbeat of this ministry.

Every night they meet, these mentors offer a wealth of knowledge, wisdom, and experience at no cost to our young men. But their impact goes beyond teaching; they are a brotherhood that keeps one another lifted and firm in their faith. While the young men may not fully realize the value of these lessons today, we know that seeds are being planted. We are already seeing the fruit of this labor, as former participants return to share how these mentors shaped their lives—and are now giving back themselves. We are deeply grateful for the dedication of these men and the support of their families.

### How You Can Partner with Us

To ensure we can continue offering this life-changing mentorship at **no cost** to the young men and their families, we invite you to join our mission:

- **Invest in a Young Man** Just **\$48.00** covers one young man's meals and materials for an entire month. Your gift ensures that financial barriers never stand in the way of a young man receiving the guidance he needs.
- **Keep Us in Your Prayers** We ask for your continued prayers for the mentors, the young men, and the families involved in this ministry.
