The Precise Note

Jacob is 16 years old and has a passion for music, particularly the piano. He often performs at "Walking Tall" in the evenings. Besides music, Jacob enjoys ballroom dancing, welding, solving logic puzzles, and debating, among other activities. He is one of five boys in his family and has a twin brother. Jacob and his family frequently go camping and river rafting, both of which they enjoy. He is truly grateful for his family and appreciates how his parents have provided for him.

He is home-schooled and says it's great because he gets a good education without having to participate in certain aspects of traditional schooling.

Jacob has been working in the welding shop for about three and a half years. He looks up to his mentors, Josh and Frank, who have helped him the most. Josh has been his mentor for a long time, and Jacob likes the way he gets things done, and they are fun to work with.

At Walking Tall (WT), Jacob developed his confidence in speaking to the group, inspiring others with his voice. He has also gained comfort in interacting with adults and has deepened his faith in remarkable ways. Along this journey, he has forged strong friendships with Luca and many others who once attended WT. Jacob is learning to handle challenging interactions with a constructive approach, and he looks forward to welcoming more friends to WT, enabling them to grow together in faith and purpose.

Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity.

1 Timothy 4:12

Our Friend Raiser campaign is currently underway, running until December 31st, with a goal of raising \$150,000 to support our efforts beyond our regular monthly contributions. This funding plays a crucial role in our annual budget, enabling us to provide nourishing meals, essential supplies for our ten programs, and cover the overhead costs that keep our doors open.

So far, we have received \$27,341 towards this goal, and we are incredibly grateful for every contribution. Your generosity helps us continue supporting our community works.

Thank you for standing with us as we work to make a positive impact together!
